SYNOPSIS

1st MARA Virtual Educational Research Conference 2021 (MVERC 2021) is an initiative lead by The Research & Development Unit of Kolej Profesional MARA (KPM) Beranang, in hopes to benefit from online knowledge sharing amongst MARA educators. Educators benefit a lot in enhancing their knowledge and professionalism when this reflection practice is shared in a networked circle such as conference.

Therefore, this conference was held as a platform to allow educators to the experience to present their research in hopes to instil research as a culture amongst educators. This official conference proceeding is a compilation of 28 research articles from various field of studies that was written by MARA educators across Malaysia. Each article was reviewed and presented during the conference, and published in this proceeding with the aim of contributing to both local and global educational committees.
